

JÓGA, Bones

My feet hit the ground
I don't wanna go home tonight
The night still ...
Put me inside

Don't want to be ...
Break my bones again
You, you, you
Break my heart again

...
My ...

Don't want to be ...
Break my bones again
You, you, you
Break my heart again

Break my, break my bones again
Break my, break my bones again
Break my, break my bones again
Break my, break my bones again
Break my, break my bones again
