

# John Anderson, Somebody Slap Me

I've found a girl who's got her own money  
She's so good lookin' that it ain't funny  
She's got a Self-and-Beauty school diploma  
A runnin' up to Miss Oklahoma  
She looks uptown but she ain't really  
She's into football she likes my chilli

Somebody slap me I said somebody slap me  
Can't be this happy I said somebody slap me

I've found a girl who's sweeter than honey  
She pets my dog and she likes my buddies  
The kind of girl who ain't afraid of nothing  
She's independent she does her own plumbing  
Her daddy's rich but she don't let it show  
She likes to fish she's got her own boat y'all

Somebody slap me...  
[ guitar ]  
She's got long blonde hair and her eyes are blue  
She wants a husband but not any time soon y'all

Somebody slap me...  
Somebody slap me...
