John & Audrey Wiggins, If You Had A Heart

(John Wayne Wiggins/Bobby Carmichael)

If you had a heart
You wouldnt' be breaking mine
If you really cared
You wouldn't be so unkind
You run around all over town
And feed me alibis
If you had a heart
You wouldn't be breaking mine

If I could make you see how much
You're hurting me it's killing me
I wonder if you'd ever change at all

When I try to sleep
I see you with someone new
I can't help but wonder if

You're holding her, loving her

If you had a heart
You wouldnt' be breaking mine
If you really cared
You wouldn't be so unkind
You run around all over town
And feed me alibis
If you had a heart
You wouldn't be breaking mine

You're not giving me
Enough to keep me hanging on
What I really need
Is you here holding me, loving me
