

# John Entwistle, I Fall To Pieces

When I'm looking at you I just don't know what to do with my eyes  
When my gaze meets yours it's just like I'm hypnotized  
My eyes start to burn  
Everything spins round  
I get double vision  
I'm spellbound  
I always seem to end up with my eyes on the ground  
Instead of you.

You make me fall to pieces  
Itsy bitsy teeny weeny pieces  
I fall to pieces  
Itsy bitsy teeny weeny pieces  
They're gonna send me in a box labeled jig-saw puzzle  
Addressed to you  
Addressed to you.

I'm your puppet but you tangle my strings  
You leave me hanging like a dummy  
You clip my wings  
I'm in a Chinese puzzle and I can't get out  
Will someone let me off of this roundabout.

(Piano Solo)

You make me fall to pieces  
Itsy bitsy teeny weeny pieces  
I fall to pieces  
Itsy bitsy teeny weeny pieces  
They're gonna send me in a box labeled jig-saw puzzle  
Addressed to you  
Addressed to you.

Just to be near you makes me perspire  
My insides feel like they've caught on fire  
It seems just as though my head's gonna burst  
Keep trying to do my best but always do my worst.

When I'm walking with you I just don't know what to do with my feet  
I'm walking on a cloud and my legs don't even reach the street  
I stumble, I trip, all over the place  
Fall over my feet and end up flat on my face  
When I get up you're gone  
I just can't keep pace with you.

You make me  
You make me  
You make me fall to pieces  
Itsy bitsy teeny weeny pieces  
I fall to pieces  
Itsy bitsy teeny weeny pieces  
They're gonna send me in a box labeled jig-saw puzzle  
Addressed to you  
Addressed to you.
