

John Farnham, Angels

The touch of your hand, will let me know
You take me in, and let me go
If not for love, where would we be
How is it done, two into one
So easily

CHORUS:

We're lifted up by angels
Higher than the world
Strong enough to leave it
Bound to learn the secrets
Angels never heard
We're lifted up by angels...
You understand, yet never say
How every plan would fade away
If not for love, where would we be
Ashes to dust, water to rust
Away from me

(chorus)

We're close enough to heaven
Above the rain
The darkness cannot reach us
Let the angels teach us
Only love remains
We're lifted up by angels
Given wings to fly
Leave the night behind us
Trust the light to find us
Even as we rise
We're lifted up by angels ...
Close enough to heaven
Above the rain
The darkness cannot reach us
Let the angels teach us
Only love remains

(chorus)

We're lifted up by angels....
