

John Farnham, Dare To Dream (With Olivia Newton-John)

(Olivia)

I have my own believer
In my heart the reason
I will follow the light from within

(John)

I'm not afraid the weakness
I'm gonna chase the sweetness
Of the power not to give in

(Olivia & John)

Oh I will see you through
I believe, this is my moment of true

Dare to dream, dare to fly

Dare to be the air

Who chose the one

Who touch the sky

Dare to reach, dare to rise

(John) Find the strength to set lives good and free

(Olivia) Dare to dream

(John)

I will go at distance
Embrace resistance
I will let my soul long alive

(John & Olivia)

But the way is over

In the heart that is spoken

If i give my all i will shine

Oh I will see you through

I believe, this is my moment of true

Dare to dream, dare to fly

Dare to be the air

Who chose the one

Who touch the sky

Dare to reach, dare to rise

Find the strength to set lives good and free

(Olivia) Dare to dream

(Olivia & John)

And my heart will shine like the sun

Too many voice together as one

I believe, I believe, I believe, I believe...

(Olivia)

Dare to dream, dare to fly

Dare to be the air

Who chose the one

Who touch the sky

Dare to reach, dare to rise

Find the strength to set lives good and free

(Olivia & John)

Dare to dream, dare to fly

Dare to be the air

Who chose the one

Who touch the sky

Dare to reach, dare to rise

(John) Find the strength to set lives good and free

(Olivia) Find the strength to set lives good and free

(John) Find the strength to what i believe

(Olivia) I will... Dare to dream

(John) Dare to dream...
