

John Fogerty, Brown-Eyed Girl

(John Fogerty/Tom Fogerty)

Let me tell you people about something I have found
I got me a brand new baby because her eyes are brown
Don't get yourself a blue eyed girl because she just won't do
Green eyes be the same thing
they be the death of you

I got me trouble she only bring you down
So if you want some true lovin'
Make sure her eyes are brown
I got me a brown eyed girl
brown eyed girl brown eyed girl

Let me tell you people about something I have found
I got me a brand new baby because her eyes are brown
brown eyed girl brown eyed girl brown eyed girl

That's why, That's why, That's why, That's why, I got me a brown eyed girl
brown eyed girl brown eyed girl etc..
