

John Fogerty, Keep On Chooglin'

(J. Fogerty)

[Chorus:]
Keep on chooglin'
Keep on chooglin'
Keep on chooglin'
Chooglin',
Chooglin'.

Maybe you don't understand it.
But if you're a natural man,
You got to ball and have a good time
And that's what I call chooglin'.

Here comes Mary lookin' for Harry,
She gonna choogle tonight.
Here comes Louie, works in the sewer,
He gonna choogle tonight.

[Chorus]

[Primal screaming]

[Chorus]

If you can choose it, who can refuse it,
Y'all be chooglin' tonight.
Go on, take your pick, right from the git go,
You gotta choogle tonight.

[Chorus]

[More screaming]

Oh, we're Creedence!
Clearwater!
Revival!
