

# John Frusciante, Big Takeover

No one dared to shuffle that shower  
When nobody cares to be clean  
Was not even pushed underwater  
Just another nazi scheme yeah  
The big takeover

I'll do habit so-called sition ?  
Prepare yourself for the final quest  
The world is doomed with its own integration  
Just another nazi test yeah  
The big takeover

So believe me when I say  
There's no hope for the USA  
The world is doomed with its own integration  
Just another nazi test yeah  
The big takeover
