

# John Hiatt, Hurt My Baby

"Hurt My Baby"

No Need To Be Explicit  
Anyone Can See  
Injury Was Permanent  
The Wound Was Really Deep  
Doesnt Talk About It Much  
I Listen When She Does  
And When Shes In That Distant Place  
I Know Its Just Because

Somebody Hurt My Baby  
Somebody Hurt My Girl  
Somebody Hurt My Baby  
Somebody Hurt Somebody In This Mean Ol World

Shes Developed All These Nervous Ticks  
To Prove Shes Still Alive  
Does Ninety Down To Zero  
Back In Over Drive  
Her Sleep Is Just A Nightmare State  
She Really Gets No Rest  
Till Someone Has Come Forward  
Till One Of Us Confess

Somebody Hurt My Baby  
Somebody Hurt My Girl  
Somebody Hurt My Baby  
Somebody Hurt Somebody In This Mean Ol World

Somebody Hurt My Baby  
Somebody Hurt My Girl  
Somebody Hurt My Baby  
Somebody Hurt Somebody In This Mean Ol World
