

John Hiatt, One More Time

Mama's in the bathroom

Waitin' to be saved

Papa's in the bedroom

Just diggin' up his grave

Brother's in the kitchen

Playin' with a knife

Sister's in the attic

Just laughin' at her life

CHORUS:

And it's one more time

All the grapes are on the vine

And I'm gonna take what's mine

One more time

Everybody's nervous

The window shades are down

Angels flutter up above

The flame where love is found

Sit down at the table

Say a little grace

Put on your dark glasses

And try to find your place

REPEAT CHORUS

Crawlin' up the stairs

Cause I know your love is there

You don't have to tell me

All that I've done wrong
It wakes me up at night
And keeps me up the whole night long

But sooner or later
Everything's the same
And everybody's guilty
Of the pleasure and the pain

REPEAT CHORUS

Diggin' down deep
Baby please don't fall asleep

REPEAT CHORUS 4 TIMES
