

# John Holt, Let Your Love Flow

There's a reason for the sunshine sky  
There's a reason why I'm feeling so high  
Must be the season when that love light shines all around us.

So let that feeling grab you deep inside  
And send you reeling where your love can't hide  
And then go stealing through the summer nights with your lover.

Just let your love flow like a mountain stream  
And let your love grow with the smallest of dreams  
And let your love show and you'll know what I mean, it's the season

Let your love fly like a bird on the wing  
And let your love bind you to all living things  
And let your love shine and you'll know what I mean, that's the reason

There's a reason for the warm sweet nights  
There's a reason for the candlelights  
Must be the season when those love rites shine all around us.

So let the wonder take you into space  
And lay you under its loving embrace  
Feel the thunder as it warms your face you can't hold back.

Just let your love flow like a mountain stream  
And let your love grow with the smallest of dreams  
And let your love show and you'll know what I mean, it's the season
