

John Kay, Hurricane Maryanne

Words and Music by John Kay, Mike Palmer, Steve Palmer and Willie Dee

Hurricane Maryann blowin' up a gale
Blew thru' Tampa, Miami Beach
Leveled Fort Lauderdale
What's your game?
What's your plan?
Hurricane Maryann

She came down to my hometown
To sell her bag of fun
Now there's seven in the hospital
And Mary's on the run
You're to blame
So give a damn
Hurricane Maryann

Hurricane Maryann
Blew right into jail
She got popped in Lakeland
No one would go her bail
Hurricane Maryann
Sold cocaine
To the man
