Believing In (Fergie's Fighters)

John klass

These are the help help These are the times
When things just seem to drive you out of your mind
Seemed as good as dead
You wished you stayed in bed
But we can never stop believing right till the end.

Chorus

Believing in ' The ever after
Believing in ' The tears & laughter
Believing in ' Believing in VIC-TO-RY
Believing in ' It's getting brighter
Believing in ' There're the great excitors
Believing in ' Fergie's Fighters

These are the days
(when you wished you had stayed in bed)
These are the times
(the ones you try to get out of your mind)
When things just seem to leave you far behind
(in the dirt, going down down)
Seemed as good as dead
(now you're mad & you're seeing red)
Don't give up instead
(get on up get it into your head)
We'll never stop believing right till the end
