

# John Lee Hooker, Baby Lee

(John Lee Hooker / James Bracken)

Baby Lee, don't do me like you do  
Baby Lee, don't do me like you do  
I love you baby, you never treat me right

Takin' you downtown, you carried me through the mill  
Takin' you downtown baby, you carried me through the mill  
Now you wanna treat me, and treat me like a child

Baby Lee, please don't do me wrong  
Baby Lee, please don't do me wrong  
I love you gal, I just can't stand your way

Baby Lee, you know you ain't treat me right  
Baby Lee, you know you ain't treat me right  
You take all my money, wanna treat me like a child

Baby Lee, please don't do me wrong  
Baby Lee, you know I love you  
Please don't do me wrong honey  
I love you Baby Lee  
You won't treat me right
