

# John Lee Hooker, Blues Before Sunrise (Version

(John Lee Hooker)

Blues before sunrise, tears standing in my eyes  
Blues before sunrise, with tears standing in my eyes  
Such a harbored feeling, boys, I do despise

I have to leave, leave you baby, because you know you done me wrong  
I have to leave you baby, because you know you done me wrong  
I'm gonna pack up and leave you darling and break up my happy home

I have to leave, leave you baby, I'm gonna leave you all alone  
I'm gonna leave you baby, I'm gonna leave you all alone  
I'm gonna pack up and leave you darling, because you know you done me wrong

Well now goodbye, goodbye baby, I'll see you on some rainy day  
Well now goodbye baby, I'll see you on some rainy day  
You can go ahead now little darling, 'cause I want you to have your way
