## John Lee Hooker, John L's House Rent Boogie

(John Lee Hooker / Bernard Besman)

[Spoken:] Hey! It's the house rent boogie

I come home last Friday, talk to the woman that I lost my job She says don't confront me an' so I have my rent next Friday An' next Friday come, I didn't have the rent an' out the door I went Yes, yes!

Hmm, hmm Yes, yes!

Come here now y'all, right 'cross the street here Help me get this rent together Some give me a nickel and some give me a dime

I'm tired of keepin' this movin' every night I can't hold out much longer Now I got this rent, now let's get together, y'all Let's have a ball
