

John Legend featuring Andre 3000, Green light

Give me the Greenlight
Give me just one night
I'm ready to go right now
I'm ready to go right now
I'm ready to go right now
I'm ready to go right now
I see you move, I'm checking your smile
working your back like it's going out of style
Shake just a little bit faster
shake just a little now girl
Dying to meet you, so lets mess around
I've got an obsession of us getting down
Come just a little bit closer
I just need permission so just...
Give me the greenlight
give me just one night
I'm ready to go right now
I'm ready to go right now
We can go all night
give me the greenlight
I'm ready to go right now
I'm ready to go right now
I want your green greenlight
But if it's what it seems like
then we can get it moving baby
cuz we know its gonna be right
I'm ready to go right now
I'm ready to go right now
(Andre 3000)
I want your green redlight
I wanna see what you dance like
but if I can be your buddy
help you study and get your head right
(John Legend)
I'm ready to go right now
I'm ready to go right now
Do I have a girlfriend...technically no.
If you'll be my girlfriend then I'll make it so
You'll be my only true lover
no competition, no others
Baby its just the thrill of the chase
but I've got a feeling that I'm winning this race!
Baby I'm in much closer
I just need permission so...
(John Legend)
Give me the greenlight...
give me just one night.
I'm ready to go right now!
I'm ready to go right now

I want your green redlight

I wanna see what you dance like
but if I can be your buddy
help you study and get your head right
(Andre 3000)
So I went hard like Madusa staring at me
I told her lets go, lets blow this lame nigga factory
She said, What type of girl do you think I are
The kind that you meet in a bar
You think you can get whatever you want cuz you some kinda star
No I'm a comet
I just want you woman
Hey, If i were you then It would be me that I go home with
3, the one and only
one thing you ain't considered
I heard you when you told your girl "ooo he can get it"
admit it
you did it
lets hop a cab and split it
I'm kiddin
we both going to where you livin
HA, I got you gigglin like I'm piglet
oh thats the ticket
I hope you are more like anita baker than robin givens
No, I don't know that lady so let me quit it
I'm just style freein, freestylin wit ya'll soundin you
That's just what I'm telling you
Should be in bed with you
Like I've been in jail for two
years and then they let me loose
Chorus
(Andre 3000)
You got you one legend
Sometimes you gotta step from behind the piano
and let em know whats going on
Even stevie wonder got down sometimes
I'm ready to go
