

John Legend, Made To Love

I was in here for you
We were made to love
We were made to love
You was in for me too
We were made to love
We were made to love

I've never seen anything
It's much more than you and me
Extraordinary machine
Oooh I've never loved, I've never loved
Never loved someone like this
All I know is?

I was in here for you
We were made to love
We were made to love
You was in for me too
We were made to love
We were made to love

Have you ever known
We laid your eyes on
The perfect work of art
I knew right from the start
Oooh, I was never sure of a God before
But I know he must exist
He created this?

I was in here for you
We were made to love
We were made to love
You was in for me too
We were made to love
We were made to love
