

# John Legend, Maxine's Interlude

Get back soon  
Where are you now?  
Oh, get back soon  
Maxine, oh where are you now?  
Maxine, oh get back soon  
Where are you now?  
Where are you now?  
Sometimes I wonder why she wouldn't stay  
What I should have changed  
Sometimes I wonder why it's been so long  
What did I do wrong?  
Maxine, Maxine...  
Oh, where are you now?  
Oh, where are you now?  
Maxine...
