

John Legend, Save Room

[Verse 1]

Say that you'll stay a little
dont say bye-bye tonight
say you'll be mine
just a little bit of love
is worth a moment of your time.
Knockin' on your door just a little
it's so cold outside tonight
let's get a fire burning
oh I know I'll keep it burning bright
if you stay, wont you save, save

[Chorus]

Save room for my love
Save room for a moment to be with me
Save room for my love
Save a little, save a little for me
Won't you save a little
Save a little for me

[Verse 2]

This just might hurt a little
love hurts sometimes when you do it right
dont be afraid of a little bit of pain
pleasure is on the other side.
Let down your guard just a little
i'll keep you safe in these arms of mine
hold on to me pretty baby
you will see I can be all you need if you stay
won't you save, save

[Chorus]

Oh c'mon, make time to live a little
don't let this moment slip by tonight
you'll never know what you're missing
'till you try, ill keep you satisfied if you stay
won't you save, save

[Chorus]
