

John Lennon, Mr. Hyde's Gone (Don't Be Afraid)

Don't be afraid
It's just the wind and light
Don't be afraid
This house is very strange
In the morning we'll be gone, don't be afraid

We'll watch the dawn till the sun comes up
Drinking coffee from our favourite cup
Girl, you've been good to me so don't be afraid tonight

Don't be afraid
It's just the cats at play
Don't be afraid
They do it night and day, how very strange
They've gone by the morning so don't be afraid of me

We'll dream around till the dawn comes up
Drinking coffee from our favourite cup
Girl, you've been good to me, don't be afraid tonight

Don't be afraid
Don't be afraid
(Scat sing) don't be afraid
Mr. Hyde, he's really gone away
Won't be back till next full moon
So we can bill and spoon
In June and croon, be-woon, be-woon, be
Can you stand it?
