

John Lennon, Only You

Only you
can make this world seem right
Only you
can make the darkness bright
Only you and you alone
can thrill me like you do
and fill my heart with love for only you
Only you
can make this change in me
For it's true
you are my destiny
When you hold my hand, i understand
the magic that you do
You're my dream come true
my one and only you, only you
Only you and you alone
can thrill me like you do
and fill my heart with love for only you
Only you
can make this change in me
For it's true
you are my destiny
When you hold my hand, i understand
the magic that you do do
You're my dream come true
my one my one my one and only you
only you, only you, only you,
only you, only you, only you,
only you, only you, only you
