

# John Lennon, Sisters, O Sisters

We lost our green land  
We lost our clean air  
We lost our true wisdom  
And we live in despair

Sisters, O sisters  
Let's stand up right now  
It's never too late  
To start from the start

Wisdom, O wisdom  
That's what we ask for  
And yes, my dear sisters  
We must learn to ask

Wisdom, O wisdom  
That's what we ask for  
That's what we live for now

Wisdom, O wisdom  
That's what we ask for  
That's what we live for now

Sisters, O sisters  
Let's wake up right on  
It's never too late  
To shout from our hearts

Freedom, O freedom  
That's what we fight for  
And yes, my dear sisters  
We must learn to fight

Freedom, O freedom  
That's what we ask for  
That's what we live for now

Freedom, O freedom  
That's what we ask for  
That's what we live for now

Sisters, O sisters  
Let's give up no more  
It's never too late  
To build a new world

New world, O New world  
That's what we live for  
And yes, my dear sisters  
We must learn to live

New world, O New world  
That's what we live for

That's what we must now learn to build

New world, O New world  
That's what we live for  
That's what we must now learn to build

New world, O New world  
That's what we live for  
That's what we must now learn to build

New world, O New world  
That's what we live for  
That's what we must learn to build
