

# John Lennon, Whatever Gets You Thru The Night

Woman

John Lennon

(For the other half of the sky)

Woman I can hardly express

My mixed emotions at my thoughtlessness

After all I'm forever in your debt

And woman I will try to express

My inner feelings and thankfulness

For showing me the meaning of success

Ooh, well, well

Doo, doo, doo, doo, doo

Ooh, well, well

Doo, doo, doo, doo, doo

Woman I know you understand

The little child inside of the man

Please remember my life is in your hands

And woman hold me close to your heart

However distant don't keep us apart

After all it is written in the stars

Woman please let me explain

I never meant to cause you sorrow or pain

So let me tell you again and again and again

I love you, yeah, yeah

Now and forever

I love you, yeah, yeah

Now and forever

I love you, yeah, yeah

Now and forever
