John Lennon, Woman Is The Nigger Of The Worl

Woman is the nigger of the world Yes she is...think about it Woman is the nigger of the world Think about it...do something about it

We make her paint her face and dance If she won't be slave ,we say that she don't love us If she's real, we say she's trying to be a man While putting her down we pretend that she is above us Woman is the nigger of the world...yes she is If you don't belive me take a look to the one you're with Woman is the slaves of the slaves Ah yeah...better screem about it We make her bear and raise our children And then we leave her flat for being a fat old mother hen We tell her home is the only place she would be Then we complain that she's too unworldly to be our friend Woman is the nigger of the world...yes she is If you don't belive me take a look to the one you're with Woman is the slaves of the slaves Yeah (think about it)

We insult her everyday on TV
And wonder why she has no
guts or confidence
When she's young we kill her
will to be free
While telling her not to be so
smart we put her down for being so dumb
Woman is the nigger of
the world...yes she is
If you don't belive me take a
look to the one you're with
Woman is the slaves of
the slaves
Yes she is...if you belive me,
you better screem about it.

Repeat:

We make her paint her face and dance We make her paint her face and dance We make her paint her face and dance
