

# John Lennon, Attika State

What a waste of human power  
What a waste of human lives  
Shoot the prisoners in the towers  
Forty-three poor widowed wives  
Attica State, Attica State, we're all mates with Attica State  
Media blames it on the prisoners  
But the prisoners did not kill  
"Rockefeller pulled the trigger"  
That is what the people feel  
Attica State, Attica State, we're all mates with Attica State  
Free the prisoners, jail the judges  
Free all prisoners everywhere  
All they want is truth and justice  
All they need is love and care  
Attica State, Attica State, we're all mates with Attica State  
They all live in suffocation  
Let's not watch them die in sorrow  
Now's the time for revolution  
Give them all a chance to grow  
Attica State, Attica State, we're all mates with Attica State  
Come together join the movement  
Take a stand for human rights  
Fear and hatred clouds our judgement  
Free us all from endless night  
Attica State, Attica State, we're all mates with Attica State  
Attica State, Attica State, we all live in Attica State  
Attica State, Attica State, Attica, Attica, Attica State
