

John Martyn, Go Down Easy

You curl around me
Like a fern in the spring;
Ly down here,
Let me sing the things you bring.

We can go down easy.
Oh my lover, we can go down easy;
Oh my darling, we can go down easy.

You come up and see me
With your big brown eyes.
Come around to my place,
You know I'll sympathize.

And we can go down easy.
Oh my lover, we can go down easy;
Oh my darling, we can go down easy.

I won't be fancy,
But I will be free.
You know I love you,
And you can really talk to me.

And we can go down easy.
Oh my darling, we can go down easy;
Oh my lover, we can go down easy.

You curl around me
Like a fern in the spring.
Ly down here,
Let me sing the things you bring.

And we can go down easy.
Oh my lover, we can go down easy;
Oh my darling, we can go down easy.
