

John Mayall's Bluesbreakers, It Ain't Right

You know it ain't right just to treat me this a way
Well, you know it ain't right just to treat me this a way
Well, you know, my baby, have you home one day
You know it ain't right just to treat me like you do
Well, you know it ain't right just to treat me like you do
Well, you know, my baby, coming home to you
You know it ain't right, baby, stay out all night long
Well, you know it ain't right, baby, stay out all night long
Well, you know, my baby, you done something wrong
