

John Mayall's Bluesbreakers, Parchman Farm

Well...I'm sittin' over here on Parchman Farm
I'm sittin' over here on Parchman Farm
I'm sittin' over here on Parchman Farm
Ain't never done no man no harm...

Well I'm puttin in cotton in a 'leven foot sack
Well I'm puttin in cotton in a 'leven foot sack
Well I'm puttin in cotton in a 'leven foot sack
Twelve gauge shotgun at my back...

;))

I'm sittin' over here on Parchman Farm
I'm sittin' over here on Parchman Farm
Well...I'm sittin' over here on Parchman Farm
Ain't never done no man no harm...
