

John Mayer, Covered In The Rain

These days with the world getting colder
She spends more time sleeping over, than I planned
Tonight were going to order in
Drinking wine and watching CNN
Its dark I know but then again
Its the brightest thing I got
When Im covered in the rainrain
When Im covered in the rain, rain, rain, rain
From fireworks to fireplaces
Summer stole what fall replaces
And now were people watching
All the people, people watching us right back now
Standing by the missing signs
At the CVS by the checkout line
She puts her quite hands in mine
Cause shes the brightest thing Ive got
When Im covered in the rainrain
When Im covered in the rain, rain, rain, rain
Oh, Im covered in the rain
Oh, Im covered in the rain
Oh, Im covered in, oh no no, oh no no, ohhhh
Come December Lydia left
She mentioned something about it being for the best
And I cant I disagree
Its killing me
Now were standing facing west
Tracing my fingers around a silhouette
I havent gotten used to yet
But its the brightest thing Ive got
When Im covered in the rainyeahyehyeh
OhhhhhhhOhhhhhhh
OhhhhhhhOhhhhhhh
