## John Mellencamp, Crumblin' Down

Some people ain't no damn good You can't trust 'em You can't love em No good deed goes unpunished And I don't mind being their whipping boy I've had that pleasure For years and years No, no I never was a sinner Tell me what else can I do Second best is what you get 'Til you learn to bend the rules Time respects no person And when you lift up must fall They're waiting outside To claim my crumblin' walls

Saw my picture in the paper Read the news around my face And now some people Don't want to treat me the same

When the walls Come tumblin' down When the walls Come crumblin', crumblin' When the walls Come tumblin', tumblin' Down Yeah, yeah, yeah, yeah, yeah Yeah, yeah, yeah

Some people say I'm obnoxious and lazy That I'm uneducated And my opinipn means nothin' But I know I'm a real good dancer Don't need to look over my shoulder To see what I'm after Everybody's got their problems Ain't no new news here I'm the same old trouble You've been having for years Don't confuse the problem With the issue, girl It's perfectly clear Just a human desire To have you come near Want to put my arms around you Feel your breath in my ear You can bend me You can break me But you better stand clear

When the walls Come tumblin' down When the walls Come crumblin', crumblin' When the walls Come tumblin', tumblin' Crumblin', tumblin' Down

When the walls Come (tumblin' down) When the walls Come (rumblin', rumblin') When the walls (When the walls) Come tumblin', tumblin' Down

Want to put my arms around you Feel your breath in my ear You can bend me You can break me But you better stand clear

When the walls Come tumblin' down When the walls Come crumblin', crumblin' When the walls Come tumblin', tumblin' Crumblin', tumblin'

When the walls (When the walls) Come tumblin' down When the walls (When the walls) Come crumblin', crumblin' When the walls Come tumblin', tumblin' Crumblin', tumblin'

When the walls (When the walls) Come tumblin' down When the walls Come crumblin', crumblin' When the walls Come tumblin', tumblin' Crumblin', tumblin' Down
