

John Miles, Can't Keep A Good Man Down

It's easily said with your gun to my head,
No-one wants to fight a fighter.
If this is a dream then I'll stay out of bed,
It's always dark before it gets lighter.
I'm not being used again,
No I won't be used again,
I said I won't be used again,
You can't keep a good man down.

Who can you squeeze when you're down on your knees,
No-one wants to be a soldier.
Don't stay by my side I'm not easy to please,
And in the end you'll find I get colder.
I'm not being used again,
No I won't be used again,
I said I won't be used again,
You can't keep a good man down.
Ooh-ooh now I've got my feet on the ground,
Ooh-ooh you can't keep a good man down.
Ooh-ooh now I've got my feet on the ground,
Ooh-ooh you can't keep a good man down.

Ooh-ooh now I've got my feet on the ground,
Ooh-ooh you can't keep a good man down.
I said Ooh-ooh now I've got my feet on the ground,
Ooh-ooh you can't keep a good man down
