

John Newman, I Need Your Love

I need your love
I need your time
When everything's wrong
You make it right
I feel so high
I come alive
I need to be free with you tonight
I need your love

I need your love

I take a deep breath every time I pass your door
I know you're there but I can't see you anymore
And that's the reason you're in the dark
I've been a stranger ever since we fell apart
And I feel so helpless here
Watch my eyes are filled with fear
Tell me do you feel the same
Hold me in your arms again

I need your love
I need your time
When everything's wrong
You make it right
I feel so high
I come alive
I need to be free with you tonight
I need your love

I need your love
I need your love

All the years
All the times
You were never been to blame
And now my eyes are open
And now my heart is closing
And all the tears
All the lies
All the waste
I've been trying to make it change

I need your love
I need your time
When everything's wrong
You make it right
I feel so high
I come alive
I need to be free

I need your love
I need your time
When everything's wrong
You make it right
I feel so high
I come alive
I need to be free with you tonight

I need your love
I need your love
I need your love
I need your love
