

John Waite, Change

People talking
And they're saying that you're leaving
So unhappy
With the way that you've been living
Oh oh oh
We always wish for money
We always wish for fame
We think we have the answers
Some things ain't ever gonna change (change)
It doesn't matter who you are
It's all the same (change)
What's in your heart will never change

Look in the mirror
And you see how you've been taken
You won't surrender
But now your heart is breakin'
Oh oh oh
We always wish for money
We always wish for fame
We think we have the answers
Some things ain't ever gonna change (change)
It doesn't matter who you are
It's all the same (change)
What's in your heart will never change

Do you remember
When you got your lucky break
You're looking back now
And it seems like a mistake
Oh oh oh
We always wish for money
We always wish for fame
We think we have the answers
Some things ain't ever gonna change (change)
It doesn't matter who you are
It's all the same (change)
What's in your heart will never change
It's only change (change)
It doesn't matter who you are
It's all the same (change)
What's in your heart will never change
It doesn't matter who you are
It's all the same (change)
What's in your heart will stay the same
It doesn't matter who you are
It's all the same (what's in your heart)
It's only
It's only
It's only change
Never (it doesn't matter)
You ain't gonna
You ain't gonna change (what's in your heart)
You ain't gonna change
Doesn't matter who you are
