

John Waite, Just Like A Woman

Nobody feels any pain
Tonight as I stand inside the rain
Everybody knows
That baby's got new clothes
But lately I've seen her
Ribbons and her bows
Have fallen from her curls
She takes just like a woman
She makes love just like a woman
And she aches just like a woman
But she breaks just like a little girl
Yes she does
Yeah
Queen mary
She's my friend
Yes, I believe I'll go see her again
Nobody has to guess
That baby can't be blessed
Till she sees finally
That she's like all the rest
With her fog
Her amphetamine
And her pearls
She takes just like a woman
She makes love just like a woman
And she aches just like a woman
But she breaks just like a little girl
It was raining from the first
And I was dying of thirst
So I came in here

And your long time curse hurts
But what's worse
Is the pain in here
I can't stay in here
Ain't it clear
That I just can't fit
Yes, I believe that it's time for us to quit
When we meet again
Introduced as friends
Please don't let on that you knew me when
I was hungry
And it was your world all the way
Ah, you fake just like a woman
You make love just like a woman
Then you ache just like a woman
But you break just like a little girl
Let me see through you baby
C'mon now
Baby, you can break down yeah
Just like a woman
Just like a woman
Just like a woman
Just like a woman
Show me
Show me baby
Just like a woman
Just like a woman
Yeah
Just like a woman
Just like a woman
