

John Williams, Hook - When You're Alone

When you're all alone
far away from home
there's a gift the angel sent
when you're alone.

Everyday must end
but the night's our friend
angels always send a star
when you're alone.

At night when I'm alone
I lie awake and wonder,
Which of them belongs to me,
which one I wonder?

And any star I choose
watches over me
so I know I'm not alone
when I'm here on my own

Isn't that a wonder?
When you're alone
you're not alone
not really alone.

The stars are all my friends
till the night time ends
so I know I'm not alone
when I'm here on my own

Isn't that a wonder?
When you're alone
you're not alone
not really alone.
