(ahh, ahh, ahh, ahh, ahh)

Look homeward, angel

Tell me what you see

Do the folks I used to know remember me?

Look homeward, angel

Eye my lady fair

Does she dream about the love we used to share?

So she'll know how very much I miss her

Angel, while she's dreaming, won't you kiss her?

Look homeward, angel

One thing I must know

Do her empty arms still yearn for me alone?

So she'll know how very much I miss her

Angel, while she's dreaming, won't you kiss her?

Look homeward, angel

One thing I must know

Do her empty arms still yearn for me alone?

Do her empty arms still yearn for me alone?

(ahh, ahh, ahh, ahh, woo)
