

# Johnny Cash, Even Cowgirls Get The Blues

Even Cowgirls Get The Blues - Johnny Cash with Waylon Jennings

She's a rounder I can tell you that  
She can sing 'em all night, too  
She'll raise hell about the sleep she lost  
But even cowgirls get the blues

Especially cowgirls, they're the gypsy kind  
And need their laid on 'em loose  
She's lived to see the world turned upside down  
Hitchin' rides out of the blues

But even cowgirls get the blues sometimes  
Bound to don't know what to do sometimes  
Get this feelin' like she's too far gone  
The only way she's ever been

Lonely nights are out there on the road  
Motel ceiling stare you down  
There must be safer ways to pay your dues  
But even cowgirls get the blues

Even cowgirls get the blues sometime  
Bound to don't know what to do sometimes  
Get this feelin' like the restless wind  
The only way she's ever been

Even cowgirls get the blues sometime  
Bound to don't know what to do sometimes  
Get this feelin' like the restless wind  
The only way she's ever been
