

# Johnny Cash, Run Softly, Blue River

(Run softly Blue River my darlin's asleep run softly Blue River run cool and deep)  
Run softly Blue River my darlin's asleep run softly Blue River run cool and deep  
Oh I thrill to her kisses and she thrills to mine  
Run softly while she sleeps and dreams for a time  
Cause she dreams of tomorrow when she'll be my wife  
And I pray that as peaceful as you is our life  
And if your murmuring soothes me till I'm sleeping too  
Run softly Blue River we'll both dream with you  
(Run softly Blue River my darlin's asleep run softly Blue River run cool and deep)  
Oh I thrill to her kisses...  
(Run softly Blue River my darlin's asleep run softly Blue River run cool and deep)  
(Run softly Blue River my darlin's asleep run softly Blue River run cool and deep)
