

# Johnny Cash, Time Changes Everything

Time has passed I've forgotten mother nature does wonderful things  
I thought nothing could stop me from loving you but time changes everything  
You can change the name of an old song rearrange it and make it swing  
I thought nothing could stop me from loving you but time changes everything  
[ fiddle - steel ]  
Goodbye goodluck may God bless you I don't say I won't love again  
I guess that it's true for me and for you that time changes everything
