

Johnny Gill, When Something Is Wrong With My Baby

When something is wrong with my baby, well, well
Something is wrong with me
And if I know shes worried
Then I would feel that same misery

Weve been through so much together
Weve been as one
And thats what makes it better
When something is wrong with my baby
Something is wrong with me

Just what she means to me now
Oh...you just wouldnt, you just wouldnt understand
People can say, mmm, hmm, shes no good
But oh, shes my woman
And I know Im her man

And if shes got a problem
I, oh, I know, I know I got to help her solve it
When something is wrong with my baby
Something is wrong with me

Oh, oh, when something is wrong with my baby
Something is wrong with me, oh...oh...oh...
When something is wrong with my baby
Something is wrong with me

Oh, oh, when something is wrong with my baby
Something is wrong with me, yeah, yeah
