Johnny Horton

Johnny Horton's Greatest Hits

woooo wo000 wo000

The snowflakes fall as winter comes and time just seems to fly

Is it the lonely missing me that make me want to cry.

My heart is sad, like a morning dove, thats lost its mate in flight.

Hearing the cooing of his lonely heart, thought the stillness of the night

Wispering Pines, Wispering Pines, tell me is it so

Wispering Pines, Wispering Pines, you are the one who knows

My darling is gone, oh she's gone and I need your symphy

Wispering Pines send my baby back to me.

Instrumental

See that squirrel up in the tree, his mate there on the ground

Hear their baking call of love, for the happy nest they found

Is my love, still my love, oh this I've go to know

Send a message by the wind, because I love her so.

Wispering Pines, Wispering Pines, tell me is it so

Wispering Pines, Wispering Pines, you are the one who knows

My darling is gone, oh she's gone and I need your symphy

Wispering Pines send my baby back to me.
