

Johnny Winter, I'm Not Sure

I can't say girl,
It's so hard to show, oh baby
I can't say girl,
It's so hard to show, ohhhhhh
Well if I die baby, if you know, if you know
You keep saying you need all of me
But that's one thing baby that can never be, hey
I can't say it's so hard to show, ohhh
If I die baby, if you know
I will love you baby 'til the break of day
But you will never keep me
If I don't want to say
Hey, hey, it's so hard to show, ohhhh
Well if you die, baby, if you know, if you know
Oh, oh, oh, oh
Just like I love you, baby
Gonna love somebody else
I can't make it with you gal
If you can't make it with yourself
I can't say girl, it's so hard to show
So hard to show, yeah
If you're dying baby, I'll help you know, ohhhh
I can't say girl, it's so hard to know
So hard to know, so hard to know
I can't say girl, it's so hard to know, ohhhhh
Well if you're flying, baby if you know
