

# Joji, Jackson Wang, WALKING (ft. Swae Lee, & M

what's it's gon' take  
what's it's gon' take to make you shake your worries away  
I am finally seeing you face to face  
it's your beauty girl  
plus your frame

you got, what I want  
I see you walking away  
this feels, to real  
I hope we can be the same  
back and forth but you won't get nowhere  
I just wanna relieve this over  
I need you to know  
I need you to know  
in my mind you don't ever let go  
so bright baby never turn the lights out  
I'll be there to catch you if you fa;;

what's it's gon' take  
what's it's gon' take to make you shake your worries away  
I am finally seeing you face to face  
it's your beauty girl  
plus your frame

and I can't wait  
in your little teeny kini shit  
cause you love to sunbathe  
usually I don't even trip  
but I can't see you walking away  
she don't even know how I do all this shit in one day

I got themoves here  
you got the juice here  
we can get loose and go wild  
playing for eeps  
and I don't want to waste time  
hop in whit me and take a ride  
swerving in phantoms  
she said I look handsome  
jump on jet  
we can talk when we land  
baby know I got her in the palm of my hands, now  
down to cut all the ties  
baby you love life  
do this in a new town  
baby I don't mind  
do this like a young sky walker  
baby you're a real smoother talker

what's it's gon' take  
what's it's gon' take to make you shake your worries away  
I am finally seeing you face to face  
it's your beauty girl  
plus your frame
