

Jojo, Save My Soul

You got what you wanted, didn't you?
Don't know where your heart is, but mine's bruised
You knew when you started, that I'd lose
The blood on the carpet, is not you
I tried to wash the scars and marks from under my skin
But you're etched in me like stone

You can't save me
Try to run but you hate me
Lord I try and I can't say no
You're the pain and the medicine
One taste and I'm numb again
Lord I try and I can't say no

Oh lord /3x
Ain't nothing I can do to save my soul
Oh lord /3x

A moth to a candle, that's me to you
I was never this fragile, or consumed
I'm covered in shrapnel, through and through
And I wish I knew how to hate you
I try to wash the scars from under my skin
But you're etched in me like stone

You can't save me
Try to run but you hate me
Lord I try and I can't say no
You're the pain and the medicine
One taste and I'm numb again
Lord I try and I can't say no

You've got your chains wrapped around me so tight
Give me enough just to keep me alive
I try to run but it hurts every time
I try
Lord I try and I can't say no
Oh Lord
Lord I try and I can't say no

You can't save me
Try to run but you hate me
Lord I try and I can't say no
You're the pain and the medicine
One taste and I'm numb again
Lord I try and I can't say no

You got what you wanted, didn't you?
