

Jon B., All I Want Is You

Hey, they're playing our song again
I like it when you make it bounce
Your healthy body
Sticky wet when you do that thang

Love, they give you the lines
Full of game supreme
Trying too hard to get you on their team
That's when you tell them that you came with me babe

I know what you like babe
I know how to make you ooh baby
You don't have to cry ever again
Keep me satisfied baby
No pigeons on my mind babe
No body can love me like you do baby

All I want is you (all I want is you)
Baby all I want is you (all I want is you)
Mami you got me know right next to you
Mami all I want is you (all I want is you)

Hey, you know you're wifey to me
That's why I love you
Cause you know you're the baddest baby that I've ever seen
Just ask it will be yours
And I know that you
Really like it too

I know what you like babe
I know how to make you ooh baby
You don't have to cry ever again
Keep me satisfied baby
No pigeons on my mind babe
I'm straight real with the way that I feel

Rap

All I want is you (all I want is you)
Baby all I want is you (all I want is you)
Mami you got me know right next to you
Mami all I want is you (all I want is you)

All that I want is you baby
All that I want is you baby
(repeat)

Dancin' feel so good tonight
When you're dancin' you're looking so fine
Ooh baby, shake that stuff like you do
Move that healthy body and I'mma come dance with you

All I want is you (all I want is you)
Baby all I want is you (all I want is you)
Mami you got me know right next to you
Mami all I want is you (all I want is you)
