

Jon B., Bad Girl

I think about the clever lines
to spill to you baby
the time it's gonna take
for me and you to get out of here
lead you to my ride
and back to my house
so we can do
what we want to do
all that i want
all that i need
for you to give me
just one night to please you
girl you will be
girl you will be the one
the one i want to leave tonight with baby
you can be my bad girl
tell me what i have to do tonight
for you to ba a bad girl baby
for you to be a bad firl baby
(2x)

don't wanna pressure you
and make you to think i'm wrong baby
just wanna trun you on to something
that you're looking like
you will see exactly why you
dressed up looking like that for me baby
all flyed up for me
all that i want
all that i need
for you to give me
just one night to please you
girl you will be
girl you will be the one
the one i want to leave tonight with baby
you can be my bad girl
tell me what i have to do tonight
for you to be a bad girl baby
(repeat out)
