

Jon B., Tu Amor

Mi Amor I'm Not sure of the right words to say
Maybe these simple words will do best to best explain
What I Feel in my heart,What i feel more each day,Oh
How to make u see how to let u know,how to say how I love u so
With word u understand,Words that get right through to your heart
Here's a place to start

Chorus:

Tu Amor, I will always be
Tu amor, means the world to me
Estera Siempre En Mi Corazon
You're the one in my soul
And I live for Tu Amor,Tu Amor

Mi Amor love u more
With each look in your eyes
Maybe these simple word
Will do best to best decribe
What I feel in my heart
What I feel for all time
How to make u see
How to let u know
How to say how I need u so
With words u understand
Words that get straight through to your soul
Word that let u know

Chorus:

Tu Amor, I will always be
Tu amor, means the world to me
Estera Siempre En Mi Corazon
You're the one in my soul
And I live for Tu Amor,Tu Amor

You're the one that i need in my arms
Beleave me these words I say are
Words that come straight from the heart
How do i make u beleive nothing else
Means as much as what u mean to me

~Speaking~

Chorus:

Tu Amor, I will always be
Tu amor, means the world to me
Estera Siempre En Mi Corazon
