Jon Bon Jovi, 99 In The Shade

I feel I'm burning up with fever

But the fire's feeling really good tonight

And it's alright

I'm gonna see Sahara Jack and Suntan Sally

Somebody tells me even Tommy's coming down tonight

If Gina says it's alright

I'm gonna see those Senoritas

Lying under the sun

They're greasing it up

With know I want to be their blanket

Gonna tell every girl

Hey, baby... You're the one...

Oh tell the boys I'm on my way

I got the radio blasting in my old man's Chevrolet

I got a party in my pocket cause you know I just got paid

And I'm feeling fine, it's 99 in the shade

I'm feeling fine, it's 99 in the shade

When the sun goes down that's when the street heats up

Senorita Margarita fills your empty cup tonight -

She make you feel alright

A good time here don't cost much money

Just a little sweet talking and a pretty native honey

And you're set for life

Or one hell of a night

I'm gonna see those sons of beaches

Out there living it up the surf

And the sand,

Man that life ain't so tough

So get me in the action so I can tell

Every girl she's the one

Oh tell the boys I'm on my way

I got the radio blasting in my old man's Chevrolet

I got a party in my pocket cause you know I just got paid

And I'm feeling fine, it's 99 in the shade

I'm feeling fine, it's 99 in the shade
